Anderson Miles for Myeloma Golf Outing

Friday, August 28th, 2015
Grandview Golf Course in Anderson
12:00 Lunch  1:00 Shotgun

Dear Friend,

We cannot begin to tell you how devastating it has been to learn that you have Multiple Myeloma, a rare blood cancer. Most people have never heard of it. Families are distraught when they learn the disease is incurable and requires arduous treatments, such as stem cell transplants.

The goal of our Golf Outing is to provide HOPE and SUPPORT to patients and families of John Guion, Fred McGuire, David Liverett, Paul Hughes, Sandy Walbridge and in honor of Carolyn Hardacre and Rick Bohnenkamp. Most of all to provide funding for research Benefiting Miles for Myeloma at the Indiana University Melvin and Bren Simon Cancer Center.

Please help us to continue providing this important research and treatment for these Anderson Multiple Myeloma patients and their families. We ask that you consider sponsoring the event. Gifts can be made by companies or individuals. All donations are 100% tax deductible.
