

Get Involved - Be a Tissue Donor

GET INVOLVED - BE A TISSUE DONOR

YOU CAN HELP OTHER NATIVE WOMEN

As a Native American woman, you can contribute to breast cancer research. We are encouraging women of diverse racial and ethnic backgrounds to donate.

The Komen Tissue Bank

was created in response to a need by scientists carrying out breast cancer research: understanding what is abnormal in breast cancer is slowed down by our lack of knowledge about what is normal.

Protect Your Legacy

Your donation of healthy breast tissue is important to breast cancer research that may lead to better treatments or a cure. You could leave a legacy that is instrumental in protecting generations to come.

When and Where:

Date and Time: [Insert date and time]

Location: [Insert location]

For more information or to find out if you are eligible:

📞 317-274-2366
